

# Food Bin

**Food: Raw and Cooked**

**Paper Towels and Napkins**

**Tea Bags and Coffee Grounds**

**Green Waste**

**No glass, batteries, plastics or metals**

**Use compostable bags to keep the bin clean and easy to transfer from the workplace to the bin**

**Remember: From plants to peels - Anything that grew or lived can go in the food waste bin**

**Connacht's leading provider of waste management services**
